Earning our stripes since 1962...

ShelbyAmerican.com

We've been earning our stripes for over 45 years, and we're still going strong. We welcome you out to the Las Vegas Motor Speedway to tour our facility and experience our passion for speed and performance.

Take Interstate 15 north to the Las Vegas Motor Speedway exit, just 10 miles north of Downtown Las Vegas at Exit 54.

Shelby American is Nevada's first and only car manufacturer. Our facilities are located just outside the entrance to The Las Vegas Motor Speedway where Shelby's legendary Cobras and Mustangs are in production.

Our Museum features cars from all eras of Shelby manufacturing and race development from 1962 to today. Our store offers authentic Shelby apparel and other hard-to-find merchandise.

Our full tours are Monday - Friday at 10:30am and our museum-only tour is available on Saturday at 10:30am. The full tour includes details about each car in our museum and walks you through the actual manufacturing operation where you can watch today's high quality Shelby vehicles being hand assembled.

Museum Open Monday-Friday: 8am - 5pm and Saturday: 10am - 2pm
